

Check your status and complete your enrollment now!

Dear ,

Before you can officially begin the International Business Administration (IBA) programme in September, it's essential to make sure your enrollment is fully completed. To verify your enrollment status, log in to [OSIRIS Student](#) and check the progress of your registration.

Check the following:

- ✓ Always check OSIRIS for any pending actions
- ✓ Green indicates completion, while red or orange means requirements remain

- ✓ You'll receive a Proof of Enrollment per email once everything is complete
- ✓ If you decide not to start the IBA Programme in September, please cancel your enrollment in Studielink
- ✓ You can contact Erasmus Student Service Centre (ESSC) if you have any questions about your enrollment

Your Digital Student ID card and Student Number (ERNA)

Your digital student card will be available in the Osiris EUR app after your registration has been completed.

Check your email for your student number (ERNA, for example 123456ab). It will also be stated on your student card.

You will need your ERNA and password to be able to log in to all digital platforms we use at the university.

If you have not received your ERNA login details yet, [please contact our colleagues from the ESSC](#).
