

Curious about the tools and support services available to help you during your studies?

Dear ,

We have created an [Onboarding course](#) in Canvas to help you prepare for the start of your studies. You can log in to Canvas using your ERNA credentials. In this course, you'll find essential information about the digital platforms you'll use daily, such as Osiris, Canvas, and MyTimetable.

You'll also be introduced to the various departments within Educational Services, learn what kind of support they offer, and how to contact them.

Please make sure to complete the Onboarding course before your studies begin, so you can start your academic journey well-informed.
