

ABN AMRO – ICE FAIR

About Us

ABN AMRO is a modern, full-service bank with a transparent and client-driven business model, a moderate risk profile, a clean and strong balance sheet with traditional and digital banking products and a solid capital position

ABN AMRO

and strong funding profile. ABN AMRO serves Retail, Private and Corporate Banking clients with a focus on the Netherlands and selective operations internationally. Clients are offered a comprehensive and full range of products and services through omnichannel distribution, including advanced mobile applications and internet banking.

ABN AMRO offers in-depth financial expertise and extensive knowledge of numerous industry sectors. Internationally, the Group's operations are based on specific expertise and established market positions. ABN AMRO has a long tradition of offering ambitious people and organizations the highest level of knowledge and expertise and the best products and services.

We are committed to giving people and organizations the space they need to realize their dreams and ambitions. We do this because we believe the world is a better place when people are in charge of their own lives, their own development and their own growth.

Our perspective

Our sights are always set in the future. We are optimistic and give our clients professional and valuable answers to the social and technological developments that affect them every day.

What we offer

We are a financial institution: we understand our clients' finances and are committed to offering them the best products and services, giving them a feeling of autonomy and well-being.

Our roots

Our clients pursue goals to achieve ambitions and fulfil dreams, large and small. To do this, they need the freedom to act. At ABN AMRO, we have understood and appreciated this for centuries. We started out as trade financiers and believe in entrepreneurship and people's autonomy, whether that is in the world of the clients we serve, the society we are part of, or for the people with whom we work. It is our promise to do everything we can to create this freedom, every day. Trusted, professional and ambitious.

What we look for

Your profile

- You are at least a **BSc (HBO, WO) graduate**.
- **Self-motivated learner**: you are curious about new knowledge and eager to make it yours.

- **Coop-player:** because we share everything; responsibilities, laughs, coffee, ups and downs, and of course success!
- **Proactive:** there's a lot to do, most of it we haven't even thought about it yet!
- **Versatile:** you can be a lone wolf and work independently, but also get together with the pack and work with colleagues.
- **Communicative and open:** with us, with our applicants, with other co-workers, with everyone.

What we offer

In ABN AMRO everyone is able to demonstrate their strong personal skills. We accept that we have a formal hierarchical structure whilst simultaneously adopting an informal way of working that focuses on expertise and cooperation. We invest in expertise by offering training sessions and “on the job” coaching. This role comes with a market-competitive salary package, complemented with all the secondary benefits that a leading employer such as ABN AMRO has to offer. Our objective is to keep the talent, so after a successful internship there is the possibility to get a starter position within ABN AMRO.
