

Avertim – ICE FAIR

About Us

AVERTIM is a uniquely positioned **Management Consulting Group** that bridges the gap between Strategy and Operations by aligning Business, Technology and Management. We bring our clients' ideas and projects to life through a profound understanding of strategic business benefits, and then accelerate their performance with a pragmatic 'doing' mindset and approach.

The group was founded in 2007 and has grown to **over 250 consultants**, active in several European countries (Belgium, Netherlands, France, Germany). Avertim is specialized in selected high-level services, across a diversified range of strategic sectors including:

- Life Sciences & Chemicals;
- Banking and Insurance;
- Transport and mobility;
- Telecommunications & Media;
- Energy/ Utilities.

We advise large multinational companies or public organizations, by helping them on three main challenges (**domains of intervention**):

- How to increase performance?
- How to drive innovation?
- How to leverage compliance?

What we look for

- You have a **Master degree** in relevant Fields (Business engineering, Management, Economics...);
- You speak **fluent English plus French or Dutch**;
- Former experience (fixed position or internship) in consulting is a plus;
- You have a strong entrepreneurial spirit and leadership skills;
- You have excellent communication and negotiation skills;
- You have a strong interest in one of our **domains of intervention**;
- You are **flexible, accurate** and **solution oriented**;
- You are not afraid to take responsibility for your decisions.

What we offer

Joining **AVERTIM** means joining a community of professionals with strong values of excellence and ethics. **AVERTIM** is a great place to work where individuals and ideas matter... where consulting is simply different!

Join us and you will:

- Be surrounded and supported by qualified people;

- Get coached by senior professionals;
- Work in exciting environments and industries with the sector leaders;
- Have great opportunities to develop your career and keep learning;
- Be part of a winning team and a fast-growing company;
- Get a competitive compensation package with great benefits.
