

Avery Dennison – ICE FAIR

About Us

Avery Dennison (NYSE: AVY) is a global materials science and manufacturing company specializing in the design and manufacture of a wide variety of labeling and functional materials. The company's products, which are used in nearly every major industry, include pressure-sensitive materials for labels and graphic applications; tapes and other bonding solutions for industrial, medical and retail applications; tags, labels and embellishments for apparel; and radio frequency identification (RFID) solutions serving retail apparel and other markets. Headquartered in Glendale, California, the company employs approximately 30,000 employees in more than 50 countries. Reported sales in 2017 were \$6.6 billion.

What we look for

At Avery Dennison, we are looking for students and graduates who push hard, take brave risks, and make innovative ideas reality! Avery Dennison is committed to provide you with a learning environment that will develop your skills and enhance your career. And we invest in the future by offering young talents, like you, the right programs to test your talents and activate your potential!

Still some time to go until your graduation?

Then join our Internship Program in our European Headquarter in Oegstgeest! We are offering regular Internships in various fields like Marketing, Communications, Supply Chain, Finance, R&D, HR and more!

About to finish your studies?

Our 2 year rotational European Graduate Program is designed for those who are just about to complete – or have recently completed – a degree in Business Studies, Engineering or IT, depending on the track you are interested in. During this program, you will not only work on different assignments within your area of expertise, often even in different European countries, but also follow a structured training curriculum focused on leadership as well as functional skills.

What we offer

When you join the Avery Dennison team, you have an opportunity to influence our industry, work towards a more sustainable future, impact the communities where we live and work, and contribute to innovations that support current and future customers. Most importantly, as part of our global team, you have the opportunity to build a career you love alongside talented colleagues.

If you're looking for a collaborative culture where bold ideas turn into action, this is the place for you. When you launch your career at Avery Dennison, you'll help us create intelligent packaging solutions for customers worldwide. Our employees from around the globe are inspired by the art of the possible, and motivated to continuously improve. It's the passion behind our people that sets our workforce apart. And the reason why, at Avery Dennison, great people get even better every day.
