

DLL Group – ICE FAIR

About Us

Do you believe businesses should have a bigger ambition than short term profit? If you do, join DLL's mission to 'See what counts'. You'll be part of a team that gets the right tools into the right hands. A team that understands the heart and soul of our partners' business. A team that provides original financial solutions to sustain success for generations.

DLL is a global vendor finance company with more than EUR 30 billion in assets. Founded in 1969 and headquartered in Eindhoven, The Netherlands, we provide asset-based financial solutions in the Agriculture, Food, Healthcare, Clean technology, Construction, Transportation, Industrial and Office technology industries. We partner with equipment manufacturers, dealers and distributors in more than 30 countries to support their distribution channels and help grow their businesses. We combine customer focus with deep industry knowledge to deliver sustainable solutions for the complete asset life cycle, including retail finance, commercial finance and used equipment finance. DLL is a wholly owned subsidiary of Rabobank Group.

What we look for

At DLL, we consider our people our biggest asset. That's why you'll be treated as a member, not just an employee. Together we create an informal, but professional atmosphere that is hard to find elsewhere. We also encourage members to seek out the best skills across all our offices, because the more networked we are as an organization, the more effective we can be at seeing more than a customer and working harder as a partner.

As the world we operate in changes more rapidly, we need Leaders at DLL that help members become successful. Leadership becomes more important in times of great change, and change is not going away. Therefore, we young high potentials who can lead the way. They need to be able to create a vision and transform it into priorities with strong execution. Youngster with an innovative mindset who are authentic and are a source of inspiration to others and who can empower others.
