

INVERTO, a BCG Company – ICE FAIR

About Us

INVERTO is an international business consultancy and one of Europe's leading specialists in strategic procurement and supply chain management. Our services range from identifying and assessing the potential for cost reductions and improving performance, implementing strategies on site, through to optimizing the entire supply chain.

A subsidiary of the Boston Consulting Group, we help companies to become more efficient and stay competitive. Our customers include international groups, leading medium-sized companies from industry and trade and some of the world's largest private equity companies. Our entrepreneurial approach fosters transparency, actionable improvements and measurability.

We deliver results. That is our promise.

What we look for

We are looking for driven students to take action and deliver results.

INVERTO is growing fast, and you can become part of it! Our growth path is strongly exhilarated under the roof of the Boston Consulting Group and offers great career perspectives for your start as:

- a student during an internship or working student job
- a bachelor graduate starting as an Associate Consultant
- a master graduate starting as a Consultant

What we offer

Specialization in Procurement and SCM – We are one of the market leaders in our field and have a clear focus on what we do with a broad spectrum of branches and clients

Focus on results – We deliver visible and measurable results to our clients, which means a steep learning curve and early assumption of personal responsibility for our consultants

Internationality – Our nine worldwide offices cater to multinational clients to operate in global sourcing networks

INVERTO Culture – We are founder and owner managed, with a very team oriented approach to deliver hand on solutions for our clients

Career Development – We offer extensive personnel development opportunities with a wide training program, mentoring and coaching possibilities
