

Philips – ICE FAIR & SPEED INTERVIEWS

About Us

Philips is a health technology company focused on improving people's lives through meaningful innovation across the health continuum – from healthy living and prevention to diagnosis, treatment and home care. Applying advanced technologies and deep clinical and consumer insights, Philips partners with customers to deliver integrated solutions that enable better outcomes at lower cost.

The Philips logo is displayed in a large, bold, blue, sans-serif font.

What we look for

We are looking for confident and enthusiastic applicants. They should be communicative strong, open minded, thinking out of the box and self-propelling. Strong in working individual but capable to excel in team work.

What we offer

We offer internship, Traineeship and starter positions. Internship positions through the year in which we try to focus on the Campus calendar. Traineeship positions each year starting with the publication in December and contracting between May and September. Depending on business demand we also publish starter positions throughout the year.
