

CALL FOR PAPERS

10th CONFERENCE ON PROFESSIONAL ASSET MANAGEMENT

12-13 June 2023

Rotterdam School of Management, Erasmus University

Rotterdam, the Netherlands

The conference will bring together leading academics and industry representatives to discuss recent research on mutual funds, hedge funds, pension funds, private equity funds, exchange traded funds, and other forms of delegated portfolio management.

Topics relevant to the conference include, but not limited to, the following:

- Performance measurement, attribution, and liquidity in asset valuation
- Investor (client) and manager behavior
- Conflicts of interest in asset management
- Institutional trading strategies and investment styles
- Governance and regulation of investment companies
- Financial innovation in asset management
- The role and influence of financial advisors
- Risk management and sector allocation

The conference will host a limited number of paper presentations with designated discussants and ample time for discussion and interaction.

Information on previous events can be found at

<https://www.rsm.nl/research/departments/finance/research/conferences/professional-asset-management-conference/>.

KEYNOTE SPEAKER

Jonathan Berk (Stanford Graduate School of Business)
