

Requirements for EUR-students

IBA courses are only available for students who are currently enrolled in an English-taught Bachelor programme from a Dutch research university and who meet the general admission requirements for the BSc IBA programme (please refer to the overall grade, mathematics, and English requirements on the www.rsm.nl/bsciba site). If you do not meet the requirements or if you have not been granted permission to follow a course due to capacity restrictions you will be notified by email.

Please note: it is only possible to follow elective courses free of charge if you have not previously obtained a Bachelor's degree. More information can be found [here](#).

Deadline application

To prevent delays, we strongly recommend you to register before the start of a new block so that your login account is created before the block starts.

The following electives are now available:

- Block 1 and 5 = start 31 Augustus 2020. **Application deadline: 16 August 2020**

Due to the current COVID-19 situation we are not able to inform you about the rest of the elective courses yet. More information will follow in September 2020.

Application procedure

Register for an elective course via the registration form (at the bottom of this document) and send this form by e-mail to bsc.pm@rsm.nl.

When returning the registration form you must include the following documents:

- Statement from your programme's Examination Board granting you permission to follow the courses of International Business Administration as an elective course;
- Proof of mathematics proficiency;
- Official transcript indicating the number of completed EC (grade list) at your programme.

You will receive a message from BSc Programme Management about your placement as soon as possible via an admission letter per e-mail.

Please note: as EUR-student you do not have to register via Studielink to follow elective courses at the EUR.

*IBCoM-students do not need to fill out this form and should directly contact their Programme Coordinator at ESHCC to follow elective courses at RSM.

See the [Current Students website](#) for (concept) schedules and the Course Manuals. The final schedule for the 2020-2021 academic year will be online by the end of August 2020.
