

### Requirements for non-EUR students

IBA courses are only available for students who are currently enrolled in an English-taught Bachelor programme from a Dutch research university and who meet the general admission requirements for the BSc IBA programme (please refer to the overall grade, mathematics, and English requirements on the [www.rsm.nl/bsciba](http://www.rsm.nl/bsciba) site). If you do not meet the requirements or if you have not been granted permission to follow a course due to capacity restrictions you will be notified by email.

Please note: it is only possible to follow elective courses free of charge if you have not previously obtained a Bachelor's degree. More information can be found [here](#).

### Application procedure

Please follow this procedure for **non-EUR** students:

  - Statement from your programme's Examination Board granting you permission to follow the courses of International Business Administration as an elective course;
  - Proof of mathematics proficiency;
  - Official transcript indicating the number of completed EC (grade list) at your programme.

6. Upload your passport size photo through the link you've received in your e-mail.

Please note that only students who meet the requirements will be considered for the elective courses!
