### Osiris course registration

Registering for a course via Osiris (accessible via [MyEUR](#)) will grant you access to the course's respective Canvas page and it will automatically register you for all of that course's examinations (with the exception of the re-sit examination, if applicable).

All first year IBA students will be registered by BSc Programme Management for the bachelor 1 courses in Osiris. Students taking bachelor 2 and bachelor 3 IBA courses can register themselves for their bachelor 2 and 3 courses. Pre-Master IBA students need to register themselves for their courses (except for students of Hogeschool Rotterdam. They should contact [premaster@rsm.nl](mailto:premaster@rsm.nl)). Here's how to register:

#### Step 1: After logging in to Osiris, click on 'Register' in the sidebar.

## Step 2: Select 'Course'.

You should then see the following. Select the course(s) you want to register for. Confirm registration via the green button.

The screenshot shows the 'Enrol course' page. At the top is a green header with the text 'Enrol course'. Below the header is a white bar with a back arrow on the left and the text 'Select a course' on the right. The main content area is divided into two columns. The left column contains a 'CLEAR FILTERS' button and a 'Show' section with a dropdown arrow. Below this are four filter options: 'Only open for course enrolment (353)' (checked), 'Only with places available (353)', 'Only from my regular programme (0)', 'Academic year', 'Starting block', 'Starts in month', 'Faculty', 'Category', and 'Instruction language'. The right column contains a search bar with the text 'Course ID/name', a filter 'Only open for course enrolment' with a close icon, and a section titled '353 courses found'. Below this are four course listings, each with a green arrow icon, the course name, block information, faculty, credits, and category. The courses are: 'Academic Skills (FW-REMA010)', 'Accounting Research Skills (BMRMAFM)', 'Adam Smith (FW-WB3921)', and 'Advanced Decision Modeling (MCER.CE15-2018)'. Each listing also has an information icon (i) on the right.

After clicking on register you should see the following sentence 'You are registered for the following course module'. You will automatically receive access to the course's Canvas page within 24 hours
