

OVERVIEW OF ALL OUR MASTER EXCHANGE DESTINATIONS

Explanation to the overview:

Language requirements partner schools

Language requirements at each partner school differ and are subject to change. If you want to be sure at any time, at all partner schools, valid TOEFL with scores: 100 (Internet based), 600 (Paper) or 250 (Computer) or IELTS, minimum score 6.5 - 7.0, are accepted. Always bear in mind that if you are not selected for your first preference, the language requirements for your second or third preference apply. At all times, a proof of your language skills is needed at the time of selection (mid-January 2021). For Spanish, you may have lower score at the time of selection (minimum of B1), but at the time of exchange, the score should be at least B2. See also the section 'Language Skills' on the website for more information.

Minimum GPA Bachelor Programme

All our partner schools maintain a minimum Bachelor GPA for admission into their exchange programmes. For very popular destinations also higher GPA's are asked for.

Programme level

At most partner schools you will participate in master programmes. However, when master programmes are not offered at the partner school, RSM has an exchange agreement with this particular school on an equal level, meaning you will either participate in senior (4th/5th) bachelor courses or in MBA programmes (mostly in N-America and Asia). For the latter, working experience of at least one year (internships, part-time (management) jobs, own company or business/consultancy projects, is needed.

Programme level

The available (estimated) number of slots are subject to change, since negotiations with partner schools continue until February 2021.

English waiver*: An English waiver is a letter in which RSM confirms your language level for the partner school. RSM can only draw up English waivers unless the student has completed both BSc + MSc in English. English waivers are provided with after the selection.
Proof of English (B2): f.e. your transcripts/diploma which shows that you have completed your Bachelor in English.
Proof of Proficiency: These can be other tests like Cambridge proficiency.
On hold: The partner schools does not (yet) accept RSM exchange students unless they will select one for RSM. On hold occurs when there is an imbalance in incoming/outgoing student numbers. If the "on hold" status occurs during the application period (October-January) a message will be sent through SIN-online.

This overview is always subject to change and therefore no rights can be derived from this overview. At all times check Canvas RSM Master Exchange (open enrollment)
