

## OVERVIEW OF OUR PARTNER SCHOOLS AND WHAT THEY CONSIDER AS "NATIVE ENGLISH SPEAKING COUNTRY"

### (EXTRA) LANGUAGE REQUIREMENTS PARTNER

Before the application deadline in December, all students need to meet RSM's language requirements as mentioned on our webpage:

<https://www.rsm.nl/rsm-students-going-abroad/bachelor-exchange/orientation/>

See under the tabs "Selection Criteria" and "Language Skills".

### 1 exemption only:

A combination of a native passport (UK, USA, New Zealand, Australia, Canada and Ireland) and a high school diploma showing that it was completely taught in English and confirming that you did your full high school over there.

We noticed that schools all over the world share a different view of what they consider to be native English speaking countries.

We therefore asked them for you to know for which university, with the combination of your passport and high school diploma, you can apply for.

The "?" in the column means, that the partner school did not confirm to us what they consider "native English speaking country".

In order to avoid problems we will, for these destinations, only accept the following countries as being native English speaking: Australia, Canada, Ireland, New-Zealand, UK and USA.

We update this overview as soon as new information reaches our office.
