

Bayer – Fair & Speed Interviews

About Us

Bayer is a global enterprise with core competencies in the Life Science fields of health care and agriculture. Its products and services are designed to benefit people and improve their quality of life. At Bayer you have the opportunity to be part of a culture where we value the passion of our employees to innovate and give them the power to change.

At Business Consulting (BC), we are committed to maximize value for Bayer by providing management consulting and talent development based on our unique perspective as part of Bayer. More than 160 consultants offer consultancy on strategic, organizational and operational topics, develop custom solutions and sustainably promote their implementation. Business Consulting takes on more than 100 projects every year, applying their deep understanding of Bayer and transferring the knowledge they have acquired across all divisions. In short, we are the global competence center for management consulting within the Bayer Group.

We offer Exciting projects, exceptional team spirit and a healthy work-life-balance. Bring your expertise to one of our four departments in the areas of research & development, product supply, marketing & sales, or business transformation & change management. This is what you can expect from one of Germany's leading inhouse consultancies and Bayer's partner of choice.

As one of the world's largest inhouse consultancy organizations, we have the resources and capabilities to provide advice, know-how and support wherever our clients need us. And we know Bayer like no other management consultancy does.

Business Consulting is divided into four regions --- Europe (Global/EMEA), North America (NA), Asia Pacific (APAC) and Latin America (LATAM) – and has five offices around the world.
