Young Talent Program Internship, Netherlands

The Young Talent Program will be your biggest opportunity to get a head start in your career. Let Kraft Heinz guide you to your future by identifying and developing your skills. Are you up for the challenge?

If you are in the final stage of your studies and looking to gain some hands-on experience, the Young Talent Program of Kraft Heinz Netherlands is here to help!

The Young Talent Program of Kraft Heinz Netherlands offers you a unique opportunity to broaden your knowledge, gain real business experience, get exposure to senior leadership and get useful trainings. You will work on your own projects and work closely with the business on day-to-day challenges.

We offer open internship positions in the following departments:

Sales

- Work together closely with large supermarket chains such as Albert Heijn and Jumbo or work with wholesalers and restaurants such as Burger King
- Work either in the office or in the field by doing hands-on, in-store work with the retailers and wholesalers
- Take full responsibility for promotional-, shelf- and product analyses as input for account plans for the individual retailers and wholesalers

Marketing

- Contribute to major product launches and campaigns within one of our three marketing teams (Drinks/Brunch, Meals, Sauces)
- Develop and run activation on shop floor (in the store) and work on online marketing projects with the Sales department
- Possibility to lead your very own marketing project from A to Z

HR

- Redefine and build the complete new intern program (Young Talent Program)
- Support day-to-day administrative duties within HR
- Take part in the creation of organizational training plans, talent management and recruitment of future interns (you get to conduct the interviews!)

Finance

- Provide financial support to some of the other departments (Sales, Logistics, etc.)
- Analyse monthly, weekly and daily results and provide in-depth reports for the business
- Help with accrual, invoice, pricing, dispute and promotional management for the rest of the business

Project Management

- Actively participate in international marketing projects
- Responsibility for leading cross-country and cross-functional meetings for your own project
- Own and improve the EU marketing process for Kraft Heinz

Logistics & Supply Chain

- Work with demand planning to guarantee forecast accuracy and conduct daily and weekly planning with carriers and warehouses
- Create data collection templates and documentation for periodic meetings
- Make business recommendations based on KPI analysis

Procurement / Manufacturing

We will try to fit you with your preferred position. However, be open-minded and flexible about experiencing an internship in one of the other functions. You will then complete the internship for a period of 6 months in one of the functions mentioned above.
